

Preamble:

Good evening, This is _____.
name / call

Welcome to the Amateur Radio Emergency Services check-in net. This net meets every Tuesday at 7:30.

Who would like to be alternate net control this evening?

If this were an actual emergency then the following would apply:

1. This would be a directed net and you would be advised to notify net control before leaving.
2. Before checking in to the net verify your family and property are safe and secure.
3. When checking in notify net control of the status of your utilities:
 - A. Gas
 - B. Water
 - C. Power
 - D. Phone

Are there any questions or announcements before we begin?

When checking in this evening please use your Callsign, name and general location.

Calling Mobile or emergency power stations.

Calling the City of Wenatchee.

Calling the City of East Wenatchee.

Calling Chelan Co.

Calling Douglas Co.

Calling Okanogan Co.

Calling Grant Co.

Calling Kititas Co.

Calling anyone in the entire coverage area of this repeater.

Thanks to all who participated this evening and to _____ for being alternate net control.
